AVAILABLE ARBOVIRAL EDUCATIONAL MATERIALS

A number of excellent educational materials related to arboviral disease (West Nile virus and Eastern Equine Encephalitis virus) are available for free download and use from state and federal programs. These materials include fact sheets, frequently asked questions, posters, brochures, Power Points for cable access stations, public service announcements, videos, and local plan development guidance. Please find below, a selection of these educational materials. Prior to use or distribution of non-New Hampshire or Centers for Disease Control and Prevention (CDC) materials, please check with the respective agency/organization.
